Subject: Amended Notice of Intention Needed, Wilhite and Associates, Gulch Mine, S/023/0087, Juab County, Utah

Dear Mr. Wilhite:

The certificates of deposit and associated letters that are being established as reclamation surety for the Gulch mine are in the name of Wall and Rock, Inc. Therefore, the operator name in the Notice of Intention to Commence Small Mining Operations (NOI) needs to be changed. The Division of Oil, Gas and Mining considers this to be a name change and not a permit transfer.

Enclosed with this letter are pages 1-3 and 7 from the NOI form. Also enclosed is form MR-REV-SMO/EXP. Please fill out these forms with the appropriate updated information.

Thank you for your cooperation. If you have questions about this letter, please call me at 801-538-5261 or Wayne Western at 801-538-5263.

Sincerely,

Paul B. Baker  
Minerals Program Manager
